PIPES & FITTINGS

COMPANY PROFILE

Parmeshwar Polyplast has been incorporated in 2013 as Plastic pipes manufactures in india. We are Known for our specialization in the field of manufacturing plastic pipes and fittings which has helped us to earn an enviable reputation till date. Our financial stability and a strong work force have given us the confidence as being reliable plastic pipes manufacturers thus offering our clients with quality based products. This has paved our way towards a better business at a consistent pace.

Our motto has always been to offer superior quality products at the best competitive price. An experienced and highly qualified technical team in association with skilled quality managers in this field proves to be a boon for our company. Being emerging plastic pipes manufacturers in india we have focused on providing customized services and on time delivery of our products. sustaining a long term relationship will lead us to acquire a major customer base by supplying the desired range of plastic pipes and fittings.

OUR VISION

We firmly believe that our success depends on our valuable customers and members of our company. We strive to create maximum value for our customers by providing them the most innovative and quality products for their needs. We always create an environment of trust, respect, and healthy relationship within our company campus. With this emphasis on our customers and members of our company we wish to make "ALTROZ" the most trusted brand in domestic and international market.

OUR MISSION

Our mission is to bring a revolution in plastic piping industry through innovative solutions which would create a profitable growth and benefit our customers & the society at large.
